

SELECTION CRITERIA FOR “DINNERS THAT MATTER” “CAUSES”

Initiatives of private entities based in Catalonia promoted by entities with more than five years of creation pursuing:

- Social transformation
- Promotion of the most vulnerable people and groups
- gender equity
- Contribution to the achievement of any of the SDGs
- Visualization of a social problem
- Contribution of DTM should not be used to start a new project, but must be intended to complement an existing project being developed by the entity

The **entity** agrees to:

- Provide detailed project information to dinner attendees
- Possibility to present the DTM Mission and Vision to the Board
- Collaborate actively in communication / networks and others that have access
- Include the DTM logo in your communication as funders
- Collaborate with the strategy to fill the restaurants involved. (Be, for example, making patrons move around different restaurants)
- Present an informative report explaining to which the contribution obtained earlier has been dedicated within a maximum of one year from the receipt of the contribution.
